

# NETHER BROUGHTON AND OLD DALBY PARISH COUNCIL NEWS

The Parish Council met on 7 February 2022 and discussed the following planning applications:

**21/00238/FUL** - Moat Farm 11 Middle Lane Nether Broughton – amended plans Agricultural Barn

The Parish Council although basically approve of the construction of an Agriculture Barn they share the concerns of the environmental health officers report regarding how close it is being built to the neighboring residential property.

**20/01475/FUL** amended plans Proposed demolition of existing dwelling and erection of. 2 storey 5 bedrooms 31 Paradise Lane Old Dalby Melton Mowbray.

The Parish Council feel that this application is consistent with the policies in the Neighborhood Plan and therefore have no objections

**21/01387/VAC** | Variation of Condition 2 (plans) of approved application 21/00420/FUL Plot MP08 Enterprise Village Station Road Old Dalby

The Parish Council feel that as long as height restrictions are adhered to and it is consistent with the policies in the Neighborhood Plan they have no objections

## **Defibrillators**

The Parish Council are aware that there has not been any training for a couple of years on the use of Defibrillators. ( The Parish has 3 defibrillators, they are located outside the Village Hall in Old Dalby, in the phone box at the top of Queensway and outside the Village Hall in Nether Broughton) The Parish Council are therefore willing to offer 2 separate evening training sessions in the springtime to residents of the parish. The training will take place in Old Dalby Village Hall and Nether Broughton Village Hall by Councilor Hateley. If you would like to do this training, please contact Sue Evans to register your interest, and course dates will be set up. So far we have only had 4 people come forward for this training in Nether Broughton Village we have not had any response from parishioners in Old Dalby or Queensway – if you would like to take up this offer please contact Sue as soon as possible.

### **Speed Watch**

We have now had a number of volunteers regarding this initiative which is very promising, Councillor Dorn will be contacting all the volunteers shortly with details of the next stage of this process. If you have not already done so and would like to help in any way regarding this, please contact Sue Evans.

### **Dog Waste**

Unfortunately, this subject is still a cause of many complaints to the Parish Council. Dog waste is being left around the villages and not disposed of correctly. We have purchased a new dog waste bin to replace the broken one on The Green in Old Dalby and this will be erected within the next month. Councillors will also be spraying popular footpath areas with yellow signs reminding people to pick up their dog waste and dispose of in the correct manner. Please please if you are a dog owner be responsible and pick up your dog waste and do not leave it. Thank you!

### **Playparks**

The Parish Council are very aware that the playparks in the parish have not had any new equipment in last couple of years and some of this is starting to look very tired therefore they are pleased to say they have just ordered new swings for the parks in Old Dalby and Nether Broughton and a new cattle bridge to replace the broken one in Nether Broughton. These should all be installed in the next few weeks.

Keep up to date with new planning applications and our meetings through the Parish Council website [www.broughtonandolddablypc.org.uk](http://www.broughtonandolddablypc.org.uk) also please follow our Facebook page.
